Lost & Found:

clothing, equipment or belongings for any reason.

Weather:

The majority of our activities are held outdoors whenever possible. Our facilities do include a number of buildings that are available for use if the weather does turn extreme. We do ask that you send your child with weather appropriate clothing as they will be outdoors regardless of rain and sunshine.

Medical Policy:

In case of an emergency, injury or sickness that demands medical attention or hinders that camper's ability to participate in daily activities, the parent will be notified. Refunds for early departures due to sickness will be granted only upon receiving a note from your family physician stating the necessity to do so.

ALL MEDICATIONS are to be given to the Camp Coordinator upon arrival. A note of explanation is needed for any medication, allergies, emotional, mental and behavioural needs a camper may have. This must be submitted with your child's application form.

Food Allergy Policy:

Our desire is to create a safe environment for our young people; however we are not a peanut free facility. Please ensure that your child can self-manage their condition at camp.
